

"It's Time For A TruthQuest!"

©1999 TruthQuest Ministries

It's time for a TruthQuest
The whole truth must be heard
Searching North, South East and West
The truth is in God's Word

Ask and you will receive it
Seek and you will find
Knock, the door will open
And God will shape your mind!

(chorus)
Truth is black and white
Clear as day and night
If you see the light
The light of Jesus

God will give you sight
If you will delight
Standing for what's right
His Word will free us!

God's Word must be your guide
So hide it in your heart
With Jesus at your side
That's where the truth must start

Ask and you will receive it
Seek and you will find
Knock, the door will open
And God will shape your mind!

(Repeat chorus twice)

Standing for what's right
His Word will free us!
